Actions to stop doing:

Our process is working well for the group. The improvements that can be made have more to do with adding things into our process.

Actions to start doing:

- Following stricter code standards -eslint
- More descriptive comments
- Create Production branch
- More thorough when creating user story tasks

Actions to keep doing:

- Keep meeting at 10am MWF
- Keep helping teammates out/being available in Discord
- Keep our pace
- Pushing to GitHub often

Work completed/not completed:

- Fully completed: As a customer, I want to create an account and log in so that I may access the website.
- Fully completed: As a business owner I want to create an account and login so that I can access the website
- Partially completed: As a customer I want access to event information so that I can schedule myself for events
- Fully completed: As a business owner I want to be able to create events with time slots so that users can sign up for them
